Sarthak Haribhau Joshi

About Me

Hi, I am a passionate web developer specializing in modern web technologies like HTML, CSS, Bootstrap, JavaScript, jQuery, and React.js. I have a strong passion for building user- friendly, responsive, and high-performing web applications. With a keen eye for design and functionality, I focus on crafting seamless user experiences while ensuring optimal performance and accessibility.
I enjoy working on interactive UI components, optimizing web applications for speed, and integrating the latest front-end technologies.
